D-8 INAUGURAL CONSULTATION MEETING AGENDA
Wednesday 19th– Thursday 20th June 2019

Fraser Suites
294 Leventis Close, Central Business District, Abuja, Nigeria

Event Objectives:

- **Enhancing economic cooperation between member countries through incorporation of Health and Social Protection programmes into member country plans**

  o Elaborate on the objectives of the D-8 Health and Social Protection Programme (H&SP), and highlight best practices in respective member States

  o Review and refine operational scope of the Programme and jointly finalize critical levers of its agenda linked to the broader SDG framework

  o Identify barriers and enablers of success, build consensus around opportunities for synergies

- **Mobilization of member countries' commitment to the D-8 H&SP Programme**

  o Constitute high-level working groups for action areas

  o Mobilize assets and resources and proffer recommendations for member counties

Expected Outcomes:

1. All member countries understand the benefits accruing in terms of volumes of health trade, investment opportunities, regulatory barriers and synergies in alleviating poverty and achieving economic growth

2. All member countries will agree on necessary steps and commitments towards implementation of the meeting resolutions

Participants:

- Member country delegations (3 per country covering the following faculties: Public Health, Social Protection, Health financing and innovation sectors

- Development partners are listed on the last page of this document.

BANGLADESH   EGYPT   INDONESIA   IRAN   MALAYSIA   NIGERIA   PAKISTAN   TURKEY
